DETAILED ACTION

Reason for Allowance

1. The following is an examiner's statement of reasons for allowance: the closest prior art of record (Nielsen U.S. Pat. No. 6,453,327; Routnthwaite et al., U.S. Pub. No. 2004/0177110; and McCormick et al., U.S. Pat. No. 6,421,709) does not teach nor suggest in detail a community of users generating a plurality of reports wherein each of the plurality of reports includes generating at least one signature based on the content of an email message, adding the at least one signature to a respective report and identifying the email message as spam or not spam in the respective report in combination with all the elements of the independent claims as argued by the Applicant (see Amendment filed on October 22, 2007 pages 8 and 9).

2. The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitation set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Claims 1-4, 6-10, 12-16 and 18-24 are allowed.
